

Silk Painting Workshop

Class summary

- Join silk artist, Louise Noel, for a one day journey into the brilliant and joyous realm of silk painting. We will paint a scarf, using the Serti (closed fence) method of silk painting. An assortment of patterns is available for students to choose from. This session, we will use various resists...dive into vibrant color, play with surface treatments, use alcohol and salt to create texture and movement. Steam setting will be provided for your finished scarves so that you can proudly wear or display your art.
